## **DISTRIBUTION UPON DEATH OF ALL OWNERS** *(List any additional beneficiaries on a separate sheet of paper)*

If the investment is set up in the name of your trust, the trust is automatically the beneficiary. Proceed to page 4.

The interest of any beneficiary that predeceases all owners terminates completely, and the percentage share of any remaining beneficiaries will be increased on a pro rata basis. If no beneficiaries are named, your estate will be your beneficiary.

If neither primary nor contingent is indicated, the individual or entity will be deemed to be a primary beneficiary. If more than one primary beneficiary is designated and no distribution percentages are indicated, the beneficiaries will be deemed to own equal share percentages of the investment. Multiple contingent beneficiaries with no share percentage indicated will also be deemed to share equally.
